Laurie Lynne's Creative Birthday Parties are great for boys and girls ages 4 and up. With over 12 years of experience, they'll not only have a great time, but also learn to make quality artistic crafts! The other great features are that the worry of keeping everyone busy is taken care of and we supply everything including take home kits!

For example, during the **Double Clay Art or Clay Jewelry party**, everyone will learn how to create their own beads and charms with colored clay. We will then bake the creations in the oven (which is a perfect time to have cake and/or open presents). We then gather to string the handcrafted beads/items onto cord when cooled. This Double-Clay Art theme Party is 2.5 hours total including cake and present time. Tie Dye & Bead~store Party's vary in project time, see additional information sheet.

Each party includes invitations, goodie bags, usage of all tools needed (such as work mats & rollers), all materials, birthday child's special gift, instruction time and clean up. **Please note: larger attended parties and/or ages 4-6 require an additional fee for an assistant.** Depending on the Theme chosen, the only items you need to supply are an oven, a working area with chairs and a cookie sheet. Extra supplies, larger take-home kits or upgraded goodie bags are available on request.

You may schedule months ahead of time (actually, it's recommended!). **Personalized Invitations*** are included when your date is confirmed with a booking form and 20% deposit when received 30 or more days in advance. Otherwise, Personalized Invitations are available for \$2.25 each with envelopes. For convenience, you may also Rent Tables & Chairs from us!

Party Themes: Advanced Clay Jewelry Party, Tie Dye Party (Outdoors), Glowing Clay Candle Globe Party, and Traveling Bead Store Stringing Party. Please see [Party Themes](#) for details.

Party rates begin at **\$259.00 +Tax** **Please call or email for more details. We have different party packages and pricing varies, you may also ask for a quote.**
